會員通訊  
August 2016

### !!! New CADSSC.ORG Website is up !!!

*The newly redesigned website has now launched. Please log in, create an account and provide your information so we can get our membership directory started. Signing up and paying for classes and events online will now be possible.*

### UPCOMING CEs

**CE#4- Efficient and Effective Endodontics**  
**September 18th, 2016**

**CE#5- Implant Dentistry**  
**October 16th, 2016**

## **Event Summary and Upcoming events**

Greetings, fellow members. Hopefully everyone has had a wonderful summer so far. We had a great time at our annual bowling tournament and photo-sharing luncheon. 1<sup>st</sup> place Men- Dr. Boren Chen Women- Dr. Pauline Pao Kids- Ethan Yu

First order of business, we as a board have voted to allow nonmembers to attend our CEs. By doing so, this will allow our society to hopefully gain more members, give our society more exposure and provide more long term sponsors. Admittedly, this is a long-term goal but I ask current members that when we see new attendees at our CEs, please make them feel welcome.

Thanks to Dr. Thomas Han for connecting us with Dr. Irubiel Barbosa at KADA's Implant Symposium. Dr. Barbosa has invited our society to attend the 2016 LA Dental Meeting September 9<sup>th</sup> & 10<sup>th</sup> at the Hilton Pasadena Hotel.

Please register by going to <http://ladentalmeeting.com>. If you would like the flyer directly, please contact me and I can forward it to you.

Dr. Barbosa has graciously provided us with 2 complimentary tickets to 5 of their workshops. First come first served. If interested, please contact me and give me your contact information to pass to him. The workshops will be in the afternoon (1:30-4:30pm) following a morning of lecture (8:30-11:30am).

### **Friday classes-**

**How to Access & Finish Root Canal with Easy Techniques & Instruments**

**Endodontic Safety & Efficacy for Open Canal, Irrigation & Finish**

**Simple Innovative Techniques for Implants, Bone Grafts & Sinus Lift Surgery**

### **Saturday Classes-**

**Guided Implant Placement & Sinus Lift with Guided Surgery**

**Examination of the Head & Neck to Detect Tumors or Other Pathology**

Following last year's example, we will continue to have student memberships in our society. They will be able to sign up for CEs for the price of the lunch buffet at Almansor Court. We will be working to have this up on the website shortly. Again if you see a dental student at our CE, please make them feel welcome and help them out with any questions that they might have.

I was recently contacted by the president of UCLA's Chinese Dental Student Association and was asked to assist with their upcoming dental mission. Students from UCLA's CDSA will be going to Kunming, China to provide dental care and oral health education to the underserved people in China who would otherwise be unable to afford care. They are looking for volunteers to go with them to provide treatment, monetary support to help pay for supplies, and supplies. Please contact their president Winnie Guo at [wini1222@gmail.com](mailto:wini1222@gmail.com) if you can help.

That's all for now. Hope to see everyone at the September CE.

**Wilson Long, President 2016**

# Continuing Education

2016 CE #4 will be held at 9:00 AM on September 18th, 2016 (SUN) at Almansor Court in Alhambra. This will be a full-day course with breakfast, lunch and beverages provided. Please refer to the attached registration form for details.

## Efficient and Effective Endodontics

### *Enhance Your Practice and Skills Through Endodontics*

#### Objectives:

- *Learn key indicators for endodontic diagnosis and case selection*
- *Gain a greater appreciation for access and canal preparation*
- *Work with the latest tools for efficient endodontic shaping*
- *Explore the available options for effective irrigation*
- *Experience state of the art methods for delivering warm, flowable gutta-percha*

## Speaker- Dr. Reid Pullen

Bio: Dr. Reid Pullen graduated from USC Dental School in 1999. He then entered the Army Dental Corps and was stationed in Landstuhl, Germany from 1999-2002. During that time, Dr. Pullen completed a 1 year Advanced Education in General Dentistry. Dr. Pullen practiced as a general dentist in Yorba Linda, CA from 2002-2004 until entering the Endodontic Residency at Long Beach VA and graduating in 2006. Dr. Pullen is a Diplomate of the American Board of Endodontics and has maintained a private practice in Brea, CA specializing in Endodontics since 2007. Dr. Pullen enjoys spending time with his wife and three kids, Brazilian JiuJitsu and golf.
