January 2017

## **Dear Fellow Members,**

This year we celebrate our **30<sup>th</sup> year** of the Chinese American Dental Society of Southern California. Wow!

First of all, our thanks go to all the previous presidents and leaders whose devotion and dedication have helped building and shaping what the Society is today. Secondly, we congratulate Dr. Wilson Long, his cabinet, and board for their accomplishments. We thank them wholeheartedly for their time and efforts, making a successful 2016. Finally, we want to thank every single one of our members for your participation. Your continuous support help us grow and march forward into our 30<sup>th</sup> anniversary and beyond.

In 2017, following our tradition, we will continue to offer great CE courses and social activities for our members. Currently we planned to have the following CE courses: CA Dental Practice Act, Infection Control and CPR in January, Implant in March, Restorative Dentistry in May, one pending subject in September, and Endodontics in October. Social activities include golf tournament in April, a 9-day trip to Japan in late May or early June, table tennis tournament in June, bowling tournament in July, and more events to come. We'll wrap up the year with our annual meeting and banquet.

We will continue our collaboration with the ADA, CDA, and local societies to strengthen our profession as well as serve our communities. On February 3<sup>rd</sup>, we will again continue our join forces with Western University of Health Sciences College of Dental Medicine for the "Give Kids a Smile" community service event at Hurley Elementary in La Puente. Please mark your calendar and volunteer. We appreciate your participation in advance.

For the trip this year we are going to Central Japan, from Nagoya to Toyama. Due to the dates of this tour, we kindly ask you to save and block those days to join us for the trip, and send in the applications and deposits ASAP by the deadline.

If you have any questions or concerns, please don't hesitate to contact myself or any member of the board. We'll make any effort to answer your questions and meet your needs. We strive to make 2017, our 30<sup>th</sup> anniversary, a successful and memorable year.

Wish all of you, and our Society, a wonderful and prosperous new year.

Barry Huang, President
